

ERX Invitational

In 2020 we, along with ERX, would like to host the first annual ERX (Cross Country) meet.

You and your team are invited to participate.

We are hoping that the event and facility will become one of the finest in the state of Minnesota! The course will have a beautiful start and finish area and have a course which traverses rolling terrain through an oak forest. In addition the parking opportunities are exceptional.

When: Thursday October 8th

Where: ERX
